Description:

OMNI Cart Services, Inc. has been in business for over 25 years and we are still growing. We clean, inspect and repair shopping carts and other backroom equipment for supermarkets and other stores. We are known for our quality work and excellent customer service and are looking for people to join our team and maintain our standards.

Our workday usually begins at 5:00 am. We travel to the locations we service in a company truck equipped with an inventory of parts and tools needed to perform the job. Our average workweek is 50 hours, including travel time. About 30-35 hours per week is spent at the stores we service and the rest of the time is travel time. We do not normally work weekends.

The job is done outdoors and requires the minimum physical requirements listed above. All cleaning is done with a pressure washing system. Repairs include: straightening frames, inspecting and replacing wheels and other parts, and brazing (a form of welding).

Approximately one week of travel per month is required for this position, in our company vehicle. All travel expenses are paid and \$30.00 for meals is provided for each hotel night.

Wage Information:

Starting pay is \$11.00 to \$13.00 per hour, with the potential for an additional quarterly bonus. Average starting wages can exceed \$40,000 per year.

Benefits Information:

After 90 days of employment medical coverage, dental coverage, and a Flexible Spending Plan option are offered. The medical and dental plans will be available to both you and your dependents. The medical plan is mostly company funded while the dental plan is paid fully by the employee.

Other benefits include: holiday pay, vacation pay, and earned sick time. After one year of employment, we also offer a 401k plan, and are currently matching 50% of employee contributions.
